### Data Privacy

TERADIUM attaches key importance to ensuring data privacy. For this reason, we process personal data collected when you visit our website in accordance with the applicable statutory provisions.

As a rule, our web servers store the IP address and the referring URL including the time and date whenever our website is visited.

The personal data which you provide on our website (when you send us an e-mail message or complete the online form and submit it to us) is used solely for the purpose for which you furnish us with such data.

TERADIUM takes all reasonable technical and organizational precautions to avoid accidental or deliberate manipulation, loss or destruction of data or access by unauthorized persons.

Note

TERADIUM assumes no liability for any errors or omissions in the content included on this website. All liability particularly for incidental or consequential loss or damage incurred in connection with the use of this web site is excluded (disclaimer).

The content, pictures, video and structure of this website is protected by copyright law. In the absence of any indication to the contrary, the information and data, particularly texts, parts of texts and pictorial material may only be reproduced with the prior approval of TERADIUM.
